**BERGO ULTIMATE™**

- A NEW GENERATION OF SPORTS FLOORING

## BERGO SPORTS FLOORING™

Professional **ECO**-friendly all-weather sport courts

Worldleader in  
multifunctional flooring.  
The original since 1972.

# UNINSPIRING & DULL SURFACES DON'T ENCOURAGE TO EXERCISE AND PLAY...

## Obstacles

**Image of reality. Uninspiring dull surfaces don't encourage people to exercise.**

Especially not children and youngsters. In the digital era with smartphones and tablets, we need to make it fun and alluring to become more active.

## The solution

**Attract children and young people to be more physically active.**

Accessible and inspiring activity spaces that encourages all people to sport and play with no need for booked training times.

## The effect

**HEALTHIER and HAPPIER children, parents, school and community.**

Sporting leads to:

- Better health and better school results.
- Less screentime and more contact with other people, contributes to better INTEGRATION and SOCIALIZING.
- Better interaction between girl and boy, young and old, different socio-economic backgrounds.

**COLORFUL COURTS ENCOURAGE  
PLAY, MOVEMENT & SOCIALIZATION.**

Worldwide • Integration • Sustainability • Health

WISH - an environmentally sustainable solution from Bergo that contributes to better health and integration, worldwide.

# BERGO SPORTS FLOORING

## ADVANTAGES

- Approved and certified by FIBA, EN14877 and ITF.
- Strong and easy mounted floors.
- Fast makeover/installation without tools. No chemicals or glue.
- Draining and ventilating - no puddles!
- Smart accessories: Line strips (50 mm) - less or no painting.
- Integrated expansion solution - allows the floor to move freely.
- Portable
- Long lifetime - 15 years warranty.
- No micro plastics, emissions or migrating particles during use or production.
- 100% recyclable.

# BERGO ULTIMATE™ RANGE SYSTEM 4

# NEW

The Ultimate™ (System4-series) offers sports flooring with easy installation without hammer, 200% faster installation compared to many other floor tiles, integrated expansion solution and built-in lines. Less painting! Ultimate is available in two versions, Bergo Ultimate™ and Bergo Ultimate Plus™, specially developed to meet different needs.

Underside

BERGO ULTIMATE™, 375 x 375 x 12 mm  
SYSTEM 4, ART NO. 113\_95X

## BERGO ULTIMATE™

Bergo Ultimate™ is an all-round sports tile for most sports.

Bergo Ultimate™ is tested and approved according to the important European standard EN14877 for outdoor floors. Bergo Ultimate™ fulfils ALL requirements.

The floor is an approved tennis court surface and classified by the ITF as "fast".

Underside

BERGO ULTIMATE PLUS™, 375 x 375 x 12 mm  
SYSTEM 4, ART NO. 113\_96X

## BERGO ULTIMATE PLUS™

Bergo Ultimate Plus™ is one of the strongest floor tiles on the market and is extremely load-resistant and a heavy duty solution. Bergo Ultimate Plus™ is developed to handle the tougher sports such as inline hockey, roller skating etc.

Bergo Ultimate Plus™ is one of the few floor tiles in the world that has been tested and approved in all categories and is certified by FIBA.

Bergo Ultimate PLUS™ is tested and approved according to the important European standard EN14877 for outdoor floors and meets ALL requirements. The floor also passes the tests for "Rolling loads" (EN1569) and "Impact resistance" (EN1517).

The floor is an approved tennis court surface and classified by the ITF as "fast".

Line Strip Edge-piece is used with the Edge Strips as ending of a row with Line Strips.

Line Strip Sare are used for making lines in different colours or/and making the court in the preferred size. Line Cross-piece is used as two lines of Line Strips intersect with each other.

EDGE STRIP 375 x 60 mm - By using Bergo Edge strips and Corner strips you will give the floor an attractive and safe finish.

CORNER STRIP 60 x 60 mm

LINE STRIP EDGE-PIECE 50 x 60 mm

LINE STRIPS 375 x 50 mm - are used for making lines in different colours or/and making the court in the preferred size.

LINE CROSS PIECE 50 x 50 mm

LOGO LINE CROSS-PIECE 50 x 50 mm

BERGO GEOTEXTILE UNDERLAY recommended on stone powder. 2,5 x 20 m = 50 m<sup>2</sup>/roll

RE-BOUNCE UNDERLAY 5 mm Must be used as underlayment for FIBA-standard. 1,5 x 30 m = 45 m<sup>2</sup>/roll

DISASSEMBLY TOOL PRO with shaft

# BERGO MULTISPORT™ SYSTEM 1

Bergo Multisport™ is an all-round sports tile for most sports and activities. The Multisport™ (System1-series) comes with an external expansion solution, which also can be used as lines.

As an option, Bergo Multisport™ is also available in recycled materials.

BERGO MULTISPORT™ has been developed to withstand tough conditions; its multifunctional properties enable rapid draining of rainwater.

Bergo Multisport is also ideal for temporary installations such as special events, where you need to install and dismantle the floor quickly. BERGO is widely used for various sports tournaments.

EDGE STRIP  
300 x 55 mm

CORNER STRIP  
55 x 55 mm

EXPANSION STRIP

### **Uppsala Summer Zone**

Bergo Sports Flooring transforms any dull area to an attractive alluring sports surface!

A impressive facility that Uppsala municipality offers its residents with seven attractive Bergo Sports Courts at Uppsala Summer Zone.

# FAST, ECONOMICAL SOLUTION!

Bergo Sports Flooring is easy to lay and can be placed on an existing surface without fasteners such as glue, screws or nails.

Asphalt

Concrete

## SUBFLOOR

Concrete or asphalt as subground is recommended, but Bergo Sports Flooring can also be installed on hard compressed sand / stone powder.

Bergo Geotextile

Hard compressed stone powder 3 cm

Macadam 10 - 32 mm

Macadam 32-63 mm

Drainage Pipe

## QUICK INSTALLATION

Bergo Sports Flooring can as an option be supplied as pre-assembled sheets or/and as single tiles, which means that the floor can be laid very quickly.

We offer complete systems including court markings, etc. Contact us for more details.

## MINIMAL MAINTENANCE

BERGO requires virtually no maintenance. Normal floor care such as occasional wet cleaning, vacuuming and/or power hosing is usually all that is needed. The flooring system is without doubt a cost saving alternative to high maintenance floors/coatings.

## Bergo Multifix

Bergo Multifix is a well-tested cleaning agent for heavily soiled Bergo floors. Most cleaning agents can be used to remove dirt, but some are especially suited for composites.

# TEMPORARY FLOORS

Strong, flexible and easy mounted!

TIME OF INSTALLATION/PERSON  
APPROX. 100 m<sup>2</sup>/h

## BERGO SOLID

Can be applied to difficult and insufficient areas such as sand, soil, grass and ice.

**Suitable for:** As subfloor for sport arenas. Protection of existing surfaces. Events on ice.

Outdoor events and concert venues. Warehouses and tents. Temporary parking lots, e.g. in connection with events. Temporary roads that also allows heavy vehicles (e.g. building/construction works).

# SOME REFERENCES

## ASSOCIATIONS ACTIVELY WORKING FOR SOCIAL CHANGE:

- Nothing But Net - A project through a fond from Swedish National Sports Association and Svenska Spel, with Swedish Basketball Federation, Bergo Flooring, Marty Sports and Unisport, that offered basketball for all and movement and making it possible for clubs around Sweden to renovate and create more inspiring outdoor basketball plans. Also, to give children and young people the chance to try and find the joy of playing basketball outdoors.

- Bonnier Hoops - Kista Centrum, Stockholm. The crimes during the summer holidays decreased and the combined Bergo basketball court and the cultural scene became an appreciated feature that gained the center to live up.

- There's a better way, New Zealand - The organization is working with keeping the kids out of the streets by pop-up 3X3 basket.

- GAME (Denmark) - An non-profit organization that works for social change through "street sports" and culture.

- 127 Summer Festival - The festival creates a place for positive meetings between everyone in society - associations, authorities and citizens - thereby contributing to increased integration while at the same time counteracting exclusion.

- Hoop Dreams - We are proud partner to Hoopdreams.se and ZON. A place for a change. The Bergo basket court was temporary installed at Kungsträdgården in the centre of Stockholm and was also a painted artwork by an artist. Various events at the court was arranged in the summer.

- Uppsala Summerzone , Sweden - As part of increasing the number of active children and young people and working for a more inclusive and equal leisure time, Uppsala Municipality opened the Uppsala Summer Zone with 6360 m2 activity areas for many different sports.

- Loka Heroes, Ludvika Municipality - Sweden - makes it possible for more children and young people to play basketball. They believe that basketball makes a difference in two of our society's biggest challenges - health and diversity.

- POP Tennis for all - powered by ESG - has a common goal together with its partners, to contribute to everyone, especially young people, being able to exercise for a better health.

## Raw material

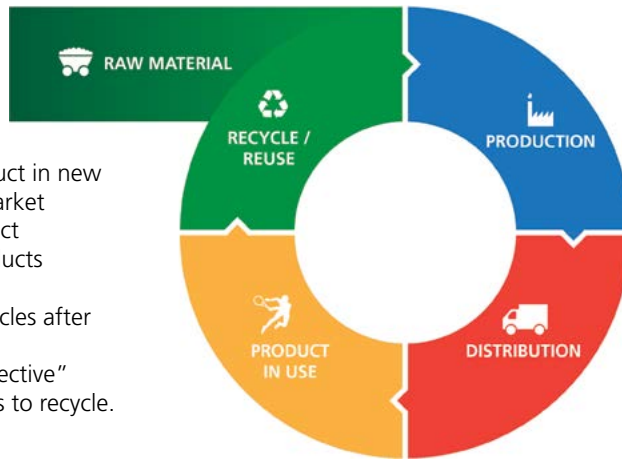

- Clean, non-hazardous materials\* - No Bisphenols, No Phthalates/softeners
- Natural color pigments
- Our ECO-series has up to 100% recycled material

\*Our Raw material is actually so good, that it is approved to be in direct contact with food (FDA-approved).

\*To make sure our products are as good as we claim, we let the Governmental controlled Swedish Chemicals Agency review us and our products.

## Recycle / Reuse

- Reuse the present product in new locations / 2nd hand market
- 100% Recyclable product = material for new products = circular economy
- Leaves no residues/particles after removal
- "Cradle to cradle-perspective" - we will help customers to recycle.

## Product in use

- No emissions/migrating microplastics during use
- Long lifetime
- Up to 15 years warranty
- Basically no need for added products/chemicals/glue, etc. for the installation

## Production

- No harmful emissions during the process
- Electricity from clean energy sources, no coal/oil
- Great working environment:
  - Fair salaries
  - Code of conduct
  - No child labour
  - Union membership is encouraged
  - Proudly made in Sweden

## Distribution

- Low weight, stackable product = efficient transportation
- All packaging materials are 100% recyclable

**THE ECO SERIE FROM BERGO.  
THE WAY TO A BETTER WORLD.**

**100%  
RECYCLED  
COMPOSITE**

*"After years of development with leading recycling companies, we have succeeded in producing a material which holds the same high quality as our other multifunctional composite flooring"*

Bergo ECO-series is made of up to 100% recycled materials. The ECO range is available in several attractive colors. Our flooring is also 100% recyclable in the next step, and in the next, and can finally be used in district heating plants for warming up our homes, without environmentally harmful emissions.

*"We are proud of being awarded by the Swedish Crown Princess for our environmental work!"*

## THIS IS BERGO

Bergo is the original since 1972 and with almost 50 years of experience, Bergo Flooring is the world leader in multi-functional floor tiles. All production is proudly made in Sweden with the highest quality.

## WHAT WE DO

We make ECO-friendly, award-winning floor tiles specially developed for various applications within five different business areas: HOME, PUBLIC, EVENT, SPORT & MARINE.

## WHY CHOOSE BERGO

Bergo is pure, functional design. A Bergo floor solves many problems thanks to the ventilating and flexible design and is particularly suitable for installations on damp surfaces, but also on uneven subfloors. Our products are available in a wide range of colors, harmoniously coordinated.
